Arkansas Department of Agriculture

The Arkansas Department of Agriculture is proposing a rule under Act 824 of 2023, An Act Regarding Liquid Animal Waste Management Systems.

The purpose of the proposed rule is to comply with Act 824 of 2023, which transferred the authority related to liquid animal waste management systems from the Arkansas Department of Energy and Environment to the Arkansas Department of Agriculture. The proposed rule confers to the Arkansas Department of Agriculture the authority to issue and modify permits related to liquid animal waste management systems and to approve design plans and site requirements or take any other action related to liquid animal waste management systems.

Written comments will be accepted from August 3, 2024 until September 2, 2024. Comments can be mailed to: Arkansas Department of Agriculture – Attn: Corey Seats, 1 Natural Resources Drive, Little Rock, AR 72205, or emailed to rule.comments@agriculture.arkansas.gov.

Oral comments may be made in person at the Arkansas Department of Agriculture, 1 Natural Resources Drive, Little Rock, AR 72205 on August 26, 2024 at 9 am.

The proposed rule can be viewed on the website at www.agriculture.arkansas.gov
