REQUEST FOR SEED ARBITRATION

INSTRUCTIONS:

If the parties are unable to settle the dispute, the buyer files a written sworn complaint against the labeler. At the time the complaint is filed, the buyer and labeler should determine if they will agree to "binding arbitration". If so, a form will be provided and signed by both parties.

FILING FEE: At the time of filing the complaint, the buyer pays to the Director of the State Plant Board a fee of \$250.00 plus \$1.00 per acre filed on not to exceed a total of \$750.00.

It is the responsibility of the buyer to send a copy of the complaint to the labeler by registered mail.

Within ten days after receiving a copy of the complaint, the labeler is to file a written answer with the Plant Board and send a copy to the buyer by registered mail.
