## Governor Sanders Declares June 9-15 as Arkansas Farmers Market Week

**LITTLE ROCK, AR** — Governor Sarah Huckabee Sanders has proclaimed June 9-15 as Arkansas Farmers Market Week to highlight the important benefits that farmers markets provide to Arkansas’s agricultural producers, consumers, and communities. “Farmers markets play an important role in connecting producers to consumers while developing local food systems and supporting the economy of our rural communities,” said Arkansas Secretary of Agriculture Wes Ward. “We are proud to have more than 111 farmers markets in Arkansas, and we appreciate the opportunity to celebrate the value they provide to Arkansas agriculture during this farmers market season.”

On June 6, the Arkansas Department of Agriculture (Department) joined industry partners at an event dedicated to celebrating Arkansas farmers markets. Secretary Ward was joined by Jeremy Adams, Double Up Food Bucks Program Manager for the Arkansas Coalition for Obesity Prevention (ArCOP)/Arkansas Farmers Market Association; Sally Anderson from Dunbar Garden; and other farmers market managers, partners, leaders, stakeholders, and community members at Dunbar Garden in Little Rock.
