

WATER/WASTEWATER ADVISORY COMMITTEE
WATER/WASTEWATER PRE-APPLICATION GUIDANCE AND FORM

All potential water and wastewater applicants requesting state-administered grant or loan funds to finance water/wastewater projects must complete a Water/Wastewater Advisory Committee (WWAC) pre-application form. General procedures for completing the pre-application form are provided below.

1: Applicant/Owner: Complete all fields for the owner of the proposed water/wastewater project. Information must include the name and title of the individual representing the Applicant/Owner of the proposed project, address, city, zip code, county, phone number, fax number, and a current email address.

Engineering Firm (Optional): This section should be completed if the Applicant/Owner is working with or plans to work with an Engineering Firm on the proposed project. If the Applicant/Owner has an Engineering representative that works with the entity internally, include their information here.

2: Select all types that may apply to the proposed project. If “Other” is selected, provide details in the space provided and/or more information may be included in the project description.

3 - 9: Complete all fields for the proposed system and/or community. Information for most Arkansas municipalities can be found at <https://local.arkansas.gov> .

10: Total Project Cost including all funding sources. The amount should include construction, engineering, contingency, and any other cost associated with the proposed project.

11: Select the Agency or Agencies the Applicant/Owner would like to request funding from and the amount from each. If “Other Funding Source” is selected, please provide information in the project description about this source of funding. If the Applicant/Owner does not know from which agencies funding will be requested, do not check any of the agencies and leave the amount fields blank.

12: A brief description of the proposed project and work to be implemented. Include additional information from number 2 that will better explain the type of proposed project should be added. Additional pages of description information may be attached if necessary.

13: Include the proposed project’s location and if applicable, the proposed project’s new service area. Maps can be submitted as an attachment if necessary.

14: Include a brief description of the project and the need for it and include any recent inspection information and/or enforcement actions.

15: Complete the fields for the estimated project schedule (time frame) for the proposed project from funding application to construction completion. Please provide additional information as needed in the space provided.

16: Authorized signature of the Applicant/Owner Representative listed in Section 1 and the name and title of the application preparer’s signature and date.

Submit to: ANRC.WWAC@agriculture.arkansas.gov.
